## WELCOME TO THINK BOOKS

Dear Parents

We are an online textbook and stationery supplier, based in Lonehill. It is a privilege to be able to assist you with your stationery and textbook requirements for 2023, and we want to make this process a stress free one. Start now by saving our contact details using the QR code below, and sending us your name and 'CCL' via WhatsApp.

Attached you will find the list of requirements that your child will need for 2023. Click on the link below and select the grade required. Then select the items and quantity required, and proceed to checkout. Tick '**Collect at Crawford College Lonehill**' and we will deliver your order free of charge to school. Please ensure that you include the students name to facilitate collection at school. If you prefer to have your order delivered to your home, you are welcome to select this option.

### Some important information:

You will find your list under Shop by School on our website, or use this link

<https://thinkbooks.co.za/crawford-lonehill/>

Only order new items if you do not already have them, but ensure that re-used stationery is in good condition.

**Place your order by 15th November for free delivery before school closes.** Final collection dates will be confirmed by the school closer to the time. Orders received after 15th November will be delivered when school opens in January 2023. If you would like to collect your order from us over the holidays please add this as a comment on checkout and we will contact you as soon as the order is ready.

**Please check the requirements carefully and order the correct quantities as required.** It is best to have this list and your child present when you are ordering. For your convenience we have included this list on the website - click on the link at the top of the page, after selecting your grade. Feel free to browse our website and add any other stationery / books to be included with your delivery.

**Kindly avoid placing your order in January as we experience huge delays receiving stock from suppliers.** While we do try to keep sufficient stock, it is difficult to predict demand. If there is a specific reason you are postponing placing your order please get in touch to see how we can assist you.

We would love to delight you with our service. If we do anything less, please get in touch so we can remedy the situation.

Thank you for your support !
