HELLO AGAIN FROM THINK BOOKS

Dear Parents

We are an online textbook and stationery supplier, based in Lonehill. It is a privilege to be able to assist you with your stationery and textbook requirements for 2024, and we want to make this process a stress free one. Last year we tried to grow our business and things did not go according to plan. We have decided to scale back this year to focus on our service, and we hope that you will give us the opportunity by ordering with us again. We have also made changes to the list on our website to make the process easier. Please check it out and give us your feedback.

Attached you will find the list of requirements that your child will need for 2024. Click on the link below and select the grade required. The full list with required quantities will appear. To make it easier we have included the quantities for all subjects as per the list. Zero the quantities of items not required, and select 'Add to Cart' once. If the button is greyed out there is an option that you need to select in order to proceed. View your cart and proceed to checkout. It is not compulsory to register on our website in order to place an order. Simply scroll down and skip login to proceed. Tick 'Collect at Crawford College Lonehill' and we will deliver your order free of charge to school. Please ensure that you include the students name and school name to facilitate collection at school. If you prefer to have your order delivered to your door, you are welcome to select this paid option.

Some important information:

You will find your list under Shop by School on our website, or use this link

<https://thinkbooks.co.za/crawford-lonehill/>

Only order new items if you do not already have them, but please ensure that re-used stationery is in good condition.

Place your order by 15th November for free delivery before school closes. Final collection dates will be confirmed by the school closer to the time. Orders received after 15th November will be delivered when school opens in January 2024. Orders received after 01 December will be delivered after 16 January, but some out of stock items might be delivered later.

Please check the requirements carefully and only order for the subjects as required. Please zero the quantities on any subject your child does not take. It is best to have this list and your child present when you are ordering. For your convenience we have included this list on the website - click on the link at the top of the page, after selecting your grade.

Kindly avoid placing your order in December/January as we experience huge delays receiving stock from suppliers. While we do try to keep sufficient stock, it is difficult to predict demand. If there is a specific reason you are postponing placing your order please get in touch to see how we can assist you.

We would love to delight you with our service. If we do anything less, please get in touch so we can remedy the situation.

Thank you for your support !
